## Bite the Shark and the magical didgeridoo

This is Bite.

Bite is a friendly, great white shark.

He loves to swim, play, explore and of course, eat!

But there is something about Bite that makes him... **unusual**.

...

A terrible mystery threatens the underwater kingdom.

The only option is to call on Bite, because sometimes, being **unusual**

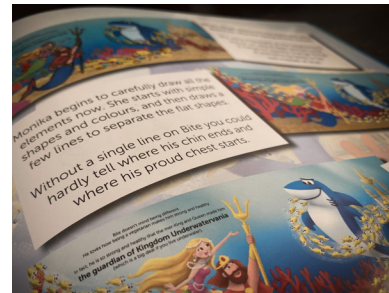

**IS JUST WHAT IS NEEDED!**

## AUTHOR AND ILLUSTRATOR

### Nigel McGee - Author

Nigel is an English author and *Bite The Shark And The Magical Didgeridoo* is his first published book. *Bite* began life as a bedtime story to his daughter. With her help, its creation has taught him that when you dare to imagine and take bold action, anything is possible.

He hopes this book brings enjoyment, inspiration and courage.

Here's to *Bite's* next adventure!

### Monika Dzikowicz - Illustrator

Monika is a Polish illustrator who is passionate about drawing unique and expressive characters. She is always on a lookout for magical and wonderful things in life, just like *Bite's* didgeridoo. However, instead of the didgeridoo she found the magic and wonder in visualising stories, which empower people and bring positive change into their lives.
